Dear Readers;

We are greatly pleased and honored to present to you the third issue of our journal for the year 2024. In this issue, we feature a total of 15 articles, comprising 12 research papers, 2 case reports, and 1 review article.

Esteemed researchers, as of June, the Journal Impact Factors (JIF values) and Quartile rankings for journals indexed in ESCI and SCIE for the year 2023 have been published. In this classification by Clarivate, our journal continues to be ranked among the Q3 journals. On this occasion, I extend my gratitude to all our stakeholders, especially our esteemed readers and the Journal Editorial Board Members, for their contributions.

Dear readers, on May 31st, we lost Prof. Dr. Rifki Hazirođlu, who served as the Chief Editor of our journal between 2003-2009. We extend our condolences and wish patience to his family and the professional community.

Dear readers, I offer my heartfelt respect to all of you, with the hope that the latest issue of our journal will contribute to the world of science.

Best Regards.
